- Technology Exploration

LANGUAGES

- English
- Isizulu

SUMMARY

As a final year IT student, I bring a unique blend of technical expertise and consumer-centric insights. My strong foundation in software development, including Ionic, Java, HTML, and C#, complements my proficiency in full-stack development, database design, and data analysis. With a background in Digital Marketing, I offer a unique perspective on consumer engagement. Eager to join a reputable company, I'm enthusiastic about contributing to innovative projects while learning from experienced professionals.

EXPERIENCE

- Software Developer (In-Service Training)
Mangosuthu University of Technology (Innovation Lab)
[July 2023 - Ongoing]
- Tutor
Mangosuthu University of Technology (TLDC)
[May 2023 – Ongoing]
- Student Mentor
Mangosuthu University of Technology (TLDC)
[February 2023– Ongoing]
- Personal Project [February – July 2023]
Developed a personal application concept in February to address a specific problem, which later evolved into the foundation of my final year group project.

EDUCATION

- Diploma in Information Technology (Software Development),
Mangosuthu University of Technology. [Jan 2020 – Ongoing]
- Digital Marketing Certificate, Mancosa [May 2023]
- Filidi Senior Secondary School –Grade 12 [2019]
